

WELCOME TO THALASSA SPA

A sound mind in a healthy body.

The well-known ancient saying claims that in order to have a healthy mind, one must have a healthy body. Following our ancient tradition and philosophy of wellness, we are willing to lead the visitors of Thalassa Spa on an enjoyable journey of relaxation in a “sea” of senses. We offer a unique selection of treatments by Aegli-Premium Organics, an organic, vegan, cruelty free, clean beauty Greek brand, in order to bring out the beauty of each one of our visitors through the paths of wellness and rejuvenation.

**From all of us in Thalassa Spa,
a very warm welcome!**

AEGLI (Greek: Αίγλη) was the mythical daughter of God of medicine **Asclepius**, symbol of Splendor, Radiance and Beauty, resulting from good health.

Aegli-Premium Organics is an organic, vegan, cruelty free, clean beauty Greek company founded by Dr Errika Papavenetiou, Medical Doctor, Homeopath & Nutritionist. Based on the enchanting Greek flora and the inexhaustible global biodiversity, Aegli is constantly searching for valuable organic active ingredients from all over the world with clinically proven efficacy on skin.

AEGLI products are formulated to deliver the most effective results without the addition of any synthetic substances. The combination of traditional medical knowledge and the power of active organic ingredients is the very essence of Aegli's notion of inner and outer organic beauty.

Aegli spa therapies are inspired by the global need for sustainability, protection of the human body & the environment and essential euphoria.
